

## ABOUT THE STATE

Happenings of Interest from Different Sections.

Elmer Whitton, who shot and seriously wounded Patrolman Charles Daniels in Adams, Mass., Wednesday, when the latter was trying to arrest him, was from Poulney.

Gaston Fontaine of Irasburg, 16, pleaded guilty at Newport this week to forgery of a check for \$63.50. Although the state's attorney objected, the boy was placed on probation.

Tony Bardakles and John Alexi, Greeks, were fined for selling cigarettes in Brattleboro to minors. Fines of \$10 and costs amounted in the case of Bardakles to \$17.98 and Alexi had to pay \$17.83.

Miss Ruth G. Barr, a deaconess, who is a native of Greensboro Bend, has been granted a license to preach by the bishop of the Methodist church. She is the fourth woman in Vermont to be given this distinction.

Peter, the four-year-old son of Mrs. Josephine Murray of St. Albans, died Tuesday of burns which he received while playing with matches at his home Dec. 2. He had burns on almost every part of his body.

Two young children, Stanley Hilliker and Coy Batchelder, sliding on a hill in Coventry Monday, collided with a rear wheel of the automobile of Dr. P. C. Templeton, fracturing one limb of the Hilliker boy and wrenching a knee of the Batchelder girl, besides cutting and bruising her.

Maudie L. Carpenter, who since the age of 16 had been a teacher in the schools of Bennington, died at the Putnam Memorial hospital there on Tuesday night, aged 54 years. Eighteen years ago she founded the Maudie L. Carpenter school for special training, which has been a very successful institution.

Amos D. Tiffany, who had lived most of his life in Pittsford, died this week at the home of his son in Burlington, where he had been living the past two years. Mr. Tiffany was for 30 years station agent at Burlington and was a member of the Congregational church in that town for 53 years, 42 years of that time being a deacon.

Walter L. Stetson, a Halifax farmer, and Arthur Tower, who works for him, pleaded guilty to charges concerning the fire at the Stetson garage in Burlington last Sunday and each was fined \$100 and costs. Tower shot a six-point buck Sunday afternoon and was charged with the shooting, while Stetson pleaded guilty to having in possession meat of a deer killed out of season.

Honore Demers, Antoine Boudreau, Alfred Desrochers and Walter Coburn, all of Montreal, were in Caledonia county court this week, charged with larceny of a coat and a hat from a lady in Londonville last September and stealing a number of articles from the garage and a commercial traveler's car. The first three pleaded guilty, while the fourth pleaded not guilty. Demers was sentenced to not less than two and one-half years at Windsor, Boudreau for not less than two years and Desrochers for not less than three. Coburn was placed under \$500 bail, which was not paid, and he was turned over to the sheriff.

Vermont Marble Co. Pays Bonus.

The 2,000 employees of the Vermont Marble company, 1,700 of whom are employed in Vermont, are to be the recipients of a bonus equal to five per cent of the wages earned by them in the past year. In making the announcement, the company states that the shortage of orders may force a curtailment of hours or the discharge of some of the employees. The announcement is as follows:

"We are very glad to announce that we are able this year to pay an extra compensation to all who were in our employ Jan. 1, 1920, and have remained in our continuous employ to the end of the year a sum equal to five per cent of the amount of wages earned by each from Dec. 1, 1919, to Dec. 1, 1920."

"This extra pay, equal to one day for every 20 days worked, will be distributed in extra envelopes on the regular pay days between Christmas and New Year's."

"Our business the past year has been good, but unfortunately our present shortage of orders has not encouraged. Unless they improve soon we shall reluctantly be obliged to reduce somewhat our number of employees or the hours of work."

Middlebury Founds Scholarship in Japan.

Middlebury, Dec. 24.—A fund of \$640 for the establishment of a "Middlebury college scholarship" for the assistance of needy and deserving students in the preparatory department of Doshisha university, Hyogo, Japan, has just been forwarded to Yoshimichi Suzuki, principal of Doshisha academy. Mr. Suzuki was for some time a student at Middlebury college in the class of 1907, and the scholarship fund, which was contributed by students and alumni of Middlebury, is in recognition of the good work he is doing and in token of Middlebury's interests in the cause of higher education in Japan.

DAMAGE OF \$300,000 Done to Plant of Dominion Blank Book Company.

Montreal, Dec. 24.—Damage estimated at \$300,000 was caused by a fire in the plant of the Dominion Blank Book company, Ltd., at Berthelville last night.

## CONTRACTOR IS ENTHUSIASTIC

Manchester Man Eats Better, Sleeps Better and Feels Better, He Says

"Yes, sir, I can say for Tanlac that it has put me on the road to health after everything else failed," said George Yergeau, a well-known contracting carpenter, of 7 Main street, Manchester, N. H.

"Some eight or ten years ago, following an accident which laid me up for some days, my stomach went wrong and from then until I got Tanlac I had constant trouble. I had no appetite and what I ate soured on my stomach, causing intense pains, and at times I was almost deathly sick."

"I couldn't sleep at night, had terrible spells of dizziness with pains in the back of my head, a ringing in my ears and such attacks of palpitation I could hardly breathe."

"I also suffered terribly from rheumatism and pains in my back and finally got so run down that I simply felt unfit for anything."

"It looked like the more medicine I took the worse off I got. But Tanlac acted different from anything I ever found, for I began to pick up right from the start. The dinner-bell never rings too quick for me now and I hardly feel a touch of indigestion. I sleep better, look better, feel better and have already gained considerably in weight. In fact, I can just feel the good of Tanlac to my finger tips and am brimful of new life and energy. From now on Tanlac is going to be my standby."

Tanlac is sold in Barre by the Barre Drug Co., and by the leading druggists in every town.—Adv.

## EAST CORINTH

The new switchboard arrived at the central Tuesday and will probably be ready for business soon. Mr. Dickey has been remodeling what used to be S. I. Divoll's harness shops and that room is to be used as the telephone office, which will be much more convenient than where it is now.

Rudolph Butler, wife and little son, Julian, and Kenneth Butler have been visiting their mother, Mrs. Frank Thompson.

Helen and Thelma Bowen of Newport are spending a few days here this week. Wednesday evening Mrs. Scruton gave a little party of young people to meet them. Mr. and Mrs. Scruton.

"Now I Can Walk," Says Mrs. Southcott of Medina.

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars."

"Money isn't everything in this world. There is many a hearted man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 35 cents a large box."

Read this letter, written February 14, 1918, by Mrs. Albert Southcott, of Medina, N. Y. It seems like a miracle, but it is true, every word of it.

I know it because I get similar letters almost every day from people who have used my ointment for old sores, eczema and piles.

Is it any wonder I am happy? Peterson Ointment Co., Inc., Buffalo, N. Y.

Dear Sir:—

I was an untold sufferer from an old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars worth of the ointment I am cured. The ulcer was 9 inches by 6 inches, in all healed and I can walk. Never, never will I be without Peterson's again.

You may use this to recommend your ointment if you wish. I cannot say enough to praise it. Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail order fill Peterson Ointment Co., Inc., Buffalo, N. Y.—Adv.

## A Couple of Wiseacres

ton returned with them to Newport for over Christmas.

Mrs. Frank Taplin is spending several weeks with friends in Massachusetts.

Monday, Frank Hatchinson killed a hog one year old last July that weighed alive, 725 pounds, and dressed, 634 pounds.

The baked bean supper, served by the young people, drew a large number of people. The school children, under the leadership of Miss Lund, gave three very amusing short farces, interspersed with songs. They had two small trees hung with articles to sell and a table of home-made candy, which sold quickly. The youngsters did themselves proud at serving and clearing away the supper. The next supper is to be a "poverty" event, under the management of Mr. and Mrs. Will Deming and Mrs. Clayton Peck. This is set for the third Friday in January.
